BC Aviation Council

Benefits of Membership

1. **Individual Member**-set at \$100/yr, this category would give the individual membership rates at BCAC events, access to membership email lists, members access to the web site, one membership vote in the Society, and the ability to serve on committees and the Board.
2. **Corporate Member**-set at \$500/yr, this category would give one representative of the Corporation, Municipality, or Agency the privileges of an individual membership. In addition the Corporation would be listed in the Corporate membership list, have membership rate privileges for two additional representatives, have one advertising spot on the BCAC website (size to be determined by BCAC) and be recognized as a Corporate member at the Silver Wings Banquet.
3. **Sustaining Member**-set at \$5000 dollars this membership would give one representative the privileges of an individual member along with membership rate privileges for up to 10 additional representatives at BCAC events. In addition they will receive 4 tickets to the annual Silver Wings Banquet and a \$1000 dollar bursary tax credit. They will receive two advertising spots on the BCAC website (size to be determined by BCAC) and be recognized as sustaining members on web site.
4. **Student Membership**-Free (with qualifier). Must be registered at a recognized post-secondary educational institution or accredited flying school who maintain a BCAC Corporate membership. Students wishing to apply for BCAC Bursaries and Scholarships **must be members of BCAC.**
